2010 Season Preview

The Misericordia University men’s golf team will have a new home in 2010 as the Cougars move to scenic Mountain Laurel Golf Club in White Haven, PA.

Head coach Tim Foran thinks the transition will be a good one for the Cougars in their second season in the Middle Atlantic Conference.

“It’s a first-rate course,” said Foran. “It’s challenging and requires players to use all of their clubs.”

The Cougars will continue to use nearby Applewood Golf Club as their practice facility. “The folks at Applewood have been great,” said Foran. “They are receptive to us and it is important for us to have a practice facility near campus.”

The roster features three returning lettermen from a year ago, including the top two scorers.

Sophomore team captain Bucky Aeppli was the team MVP a year ago after finishing with an 82.1 average. He tied for seventh at the MAC Championships – 2nd team honors – and shot the 5th-lowest round in school history (75).

“Bucky had an outstanding freshman season,” said Foran. “He should be one of the top players in the MAC again this year.”

Senior Bryan Marzolino also returns after leading the team with an 81.5 scoring average, the third-lowest in school history.

He finished tied for 18th at the MAC Championships.

Junior Daniel Grassi has shown marked improvement since last season.

The rest of the roster consists of first-year team members: senior Brian Siemion, sophomores Jonathon Zaremba and Tyler White and freshmen Matt Wiater and Matt Klassner.

The line-up could also include a pair of women: Jessica Rydzewski and Megan Danley.

Misericordia will compete in varsity women’s golf beginning next year. Until then, women’s team members may compete on the men’s team.

“They are solid players who could help us this year,” said Foran.

The team is hoping better weather as they were limited to seven competitive rounds a year ago. “It’s hard to stay sharp when you’re unable to play,” said Foran.

“We hope to be able to get more matches in this year.”

The Cougars open the season at the Lebanon Valley Invitational, April 5.

MISERICORDIA UNIVERSITY IN BRIEF
Misericordia University is a liberal arts based, co-educational, Catholic institution serving both residential and commuting students.
Founded in 1924, Misericordia is the oldest four-year institution in Luzerne County and made the transition to University status in 2007.
Sponsored by the Religious Sisters of Mercy, MU is one of 18 Mercy institutions in the United States.
Misericordia welcomes individuals from all faiths and offers a variety of liberal arts and professional programs at the undergraduate and graduate levels.
MU offers 30 majors in three academic colleges: Arts and Sciences; Health Sciences; and Professional Studies and Social Sciences.
The University is dedicated to the values of the Sisters of Mercy: mercy, service, justice and hospitality. These values can be found throughout the University, from programs of study to service projects.
The hallmark of MU is a dedicated faculty and a high quality core liberal arts and sciences curriculum.
In addition to their diploma, MU students participate in the Guaranteed Placement Program. The GPP is a promise that, within six months of graduation, students will have a position in the career of their choice or be enrolled in graduate school, or the University will provide a paid internship in the student’s field of study.
With a total enrollment of 2,501 students, Misericordia offers the benefits of a small university with the scope of a larger institution.
Classroom size is purposefully small to ensure personalized attention and our 12:1 student/faculty ratio allows students and faculty to truly know one another.
In addition to academic pursuits, MU students participate in a wide range of athletic, recreational, spiritual, social and cultural activities with more than two dozen clubs and organizations on campus.
MU sponsors 22 varsity sports including men’s soccer, women’s soccer, men’s and women’s basketball, indoor and outdoor track & field, baseball and tennis; and men’s and women’s volleyball.
MU is a member of the Pennsylvania Athletic Conference, the Eastern College Athletic Conference and the Freedom Conference.
In 2009-10, the Cougars won conference championships in men’s soccer and women’s swimming.

ATHLETICS FACILITIES
The athletics facilities at Misericordia University are highlighted by the Anderson Sports-Health Center and the Anderson Outdoor Athletic Complex.
Mangelsdorf Field at the Anderson Athletic Complex was named for the late Dorothy Mangelsdorf, the late Daley Anderson, and dr. Robert S. and Geraldine Ruth Anderson.
With approximately 430 members and 150,000 student-athletes competing annually, Division III is the largest of the NCAA’s three divisions.
Division III institutions place high priority on the overall quality of the educational experience and the successful completion of all students’ academic programs.
Formed in 1938, the ECAC is the nation’s largest athletic conference with more than 100 members in Divisions I, II and III from Maine to North Carolina.
